EXPERIENCE OUR MALIGNE CANYON ICEWALK TOUR!

The Maligne Canyon Icewalk Tour is one of the most popular and impressive Jasper winter adventures. Your trained SunDog tour guide will take you to the bottom of the Maligne Canyon – the deepest accessible canyon in Jasper National Park – where you will explore frozen water falls, ice caves, and incredible ice formations. You will learn about Jasper’s Maligne Valley, Karst topography, and the mystery of the “disappearing” Medicine Lake.

This Jasper icewalk tour is a great option for anyone who does not ski or snowboard. The tour covers approximately 3.5 kms (2.1 miles) and is mostly downhill. Participants are required to dress appropriately for the weather. Please indicate your shoe size when booking as warm boots ice cleats will be provided.
